

# **San Fernando Valley High School Advisory Commission**

*Fall 2007 Application*

## *Mission Statement*

*"The mission of the San Fernando Valley High School Advisory Commission is to review and propose legislation; to identify problems and their solutions; and to build an understanding within the community concerning the commitment minors have regarding their role in government."*

## **BACKGROUND**

In 1998 the pilot program for the High School Advisory Commission began. It included participants from six different high schools within the California's 40<sup>th</sup> State Assembly District. The program was so successful that we expanded the Commission to include public and private high schools within the greater San Fernando Valley.

## **PRE-REQUISITES**

Applicants must be enrolled at their respective schools as a 10<sup>th</sup>, 11<sup>th</sup> or 12<sup>th</sup> grader during the Fall Semester of the 2007-2008 academic year. Beyond the initial application process, a select number of applicants will be called back to participate in a final selection process in the fall. Your attendance on this day is mandatory in order to be considered for membership on the Commission.

## **COMMITMENT**

Those who are selected as San Fernando Valley High School Advisory Commissioners will be asked to attend mandatory meetings during the course of the first semester of the academic year to review legislation for Assemblymember Lloyd Levine. Additionally, other unique projects and opportunities will be available for the Commission. We are looking for students who are serious about being a part of and contributing to this unique group.
